The row headings indicate the duration(s) of each worker's shift(s). For example, "3 7 3" indicates that the worker must work three shifts; the first shift must be of duration 3, the second shift must be of duration 7, and the third shift must be of duration 3. Between shifts there muse be a rest period with duration of at least 1.

The column headings indicate how many workers must be on duty each shift. For example, "3 7 3" indicates that thirteen workers total must be scheduled on that shift, in groups of 3, 7, and 3, respectively. Two groups must be separated by at least one blank row.
