Kids!
 After you have matched up your Colorforms® with the pictures of the presidents, above, try placing all the presidents in the proper order below and add your favorite predictions of who will lead us into the '80s, the '90s, and maybe even the 21st century!

Note to Educators: This poster is intended to be used with the Colorforms U.S. Presidents Set, making it fun for students to learn about the U.S. Presidents. See the accompanying workbook for other activities you can do with your students with the Colorforms U.S. Presidents Set, including the Colorforms U.S. Presidents Filmstrip, also available from Colorforms. A few extra "blank" pieces are supplied with your set; please update them with new U.S. Presidents in the years to come. Artwork by Marijn Rooijakkers.
